

Housing Insecurities Hardship Fund

An anonymous donor has created the Housing Insecurities Hardship Fund to assist Suffolk County Community College students who are experiencing housing insecurities that jeopardizes their ability to remain in College.

A student can apply to the fund once per semester, by completing an application with documentation of their financial need and desire to continue their education at Suffolk County Community College.

Applications will be reviewed by a committee and qualified students who are selected for an award will receive up to \$500.

There are a limited number of funding opportunities distributed on a rolling basis.
