

Richard and Mary Morrison Student Hardship Fund

Richard and Mary Morrison have established the Richard and Mary Morrison Student Hardship Fund to assist Suffolk County Community College students who are experiencing unforeseen financial difficulty that jeopardizes their ability to remain in College.

A student can apply to the fund once per semester, by completing an application with documentation of their financial need and desire to continue their education at Suffolk County Community College.

Applications will be reviewed by a committee and qualified students who are selected for an award will receive up to \$1,000 that can be used to offset their tuition, fees and textbook expenses.

High School sweethearts, Richard and Mary Morrison established their Foundation to continue their family's efforts to help others. Their motto is, "We will change the world with one random act of kindness at a time, join us." The Suffolk Community College Foundation's mission to develop resources that enable the College to provide quality educational experiences for its students.

There are a limited number of funding opportunities distributed on a rolling basis.
