

PROFESSOR SUSANNE SMOLLER MEMORIAL FUND

Remembering Professor Smoller

A professional social worker and counselor for more than 34 years, Professor Susanne Smoller was a tireless advocate for her community, her neighbors and collectively, our children. She served as Vice President of the New York State Parent Teacher Association (PTA) and as an active member of several community advocacy organizations. Professor Smoller was a beloved member of the faculty of Suffolk County Community College's Chemical Dependency Counseling program and an award winning advocate and social worker. Professor Smoller's legacy is celebrated at the College where in addition to her academic role, she was the faculty advisor of the DIVERSEability Club and the Chemical Dependency Counseling Club.
