

AVZ & Co., P.C.

Albrecht, Viggiano, Zureck & Company, P.C. (AVZ) is one of the largest certified public accounting firms on Long Island. We provide a wide range of financial, accounting, auditing, tax and consulting services to a variety of businesses and industries. Located in Hauppauge, New York, AVZ serves a myriad of clients primarily on Long Island — and has been doing so since 1950.

Whether positioned for steady growth, caught in the midst of economic change or searching for guidance in developing a business plan, you know that the services of a skillful accounting firm are invaluable. We consider ourselves to be a partner in growth for privately held businesses, not-for-profit organizations and government agencies. AVZ is different because we look upon each assignment as a unique opportunity to provide each individual client the guidance to become more efficient and profitable.

There is more to us than our accounting and business expertise. Not only are we Long Island-based but we are an independent member of BKR International, a leading global association of independent accounting and business advisory firms representing the expertise of more than 160 member firms with over 500 offices in over 80 countries around the world.

AVZ's devotion to providing quality service and meeting the very highest standards is evidenced by our membership in the American Institute of Certified Public Accountants (AICPA). As a member of the AICPA, we must regularly submit to an intensive peer review for which we have consistently received exceptional reports.

The tools you need to conduct business are the cornerstone of AVZ's trade. We work to ensure your confidence from the outset and pledge the highest level of professional excellence possible.
